CLASS DESCRIPTION: Sewing for dogs! For those of you who love your dogs or their masters, we have a series of classes for you. This project is a training treat bag for the dog park or obedience training or ensuring a cooperative spirit when out and about on the daily walk. The benefit of a treat bag is that you don't end up with crumbs or treat smells in your pocket: keep those for the treat bag. Woofie's valet uses his every day. Plus, you can custom embroider your training treat bag in class.
