

SEW FROM THE HEART STUDENT SUPPLY LIST

Name of Class: Gossamer Top
Teacher: Diane Bykowski E-mail: justmontage@cox.net
Class Date: This class is offered TWO times:
Saturday, September 5th #20164 12:30pm - 4:30pm
Wednesday, October 28th #20153 12:30pm - 4:30pm

CLASS DESCRIPTION: Is it crocheted? Is it knitted? Is it lace? The answer is no to each of those questions because it is "crazy felt." The look is completely controlled by your choice of yarns and how densely you choose to construct your top. This is a fun project that can take on many dimensions and is limited only by your imagination! In class you will construct the entire garment, but the joy and element of surprise will come after you launder and air-dry it!
